Why, when and how should you use the Energy Charter Treaty (ECT) and the Swiss Rules of International Arbitration (Swiss Rules) in energy related transactions and disputes?

Come and celebrate with us the Swiss Rules, newly translated in Latvian and Lithuanian in view of their use for the Vis Moot Court 2021 in Vienna and Hong Kong.

The event is organized in collaboration with, and will be immediately followed by, the Baltic Arbitration Day so that travellers can optimize their time and travels.
