

Dr Torsten Lörcher

Partner

Practice Area: International Arbitration and Dispute Resolution

Torsten has been a practising lawyer with CMS since October 1999. He became a partner in 2007. Before joining CMS, Torsten worked with Professor Böckstiegel at Cologne University and wrote his doctoral thesis on international dispute resolution. He also worked in London and Paris.

Torsten's practice is focused on acting as counsel and arbitrator in international and domestic arbitration under various regimes including arbitration proceedings under the ICC, DIS, Swiss, SCC, CIETAC, UNCITRAL, the Arbitration Institute Finland and Vienna Rules.

He has acted as counsel in a large number of disputes and his track record as arbitrator comprises more than 50 cases. His practice is mainly focused on post-M&A, commercial and technology-related disputes, frequently from the energy and life science sector.

Torsten is the head of the international CMS Dispute Resolution Practice Group. He has published extensively on international arbitration and is regularly named in the legal directories as one of the leading German practitioners in the field of international arbitration .

He is a member of inter alia ASA, DIS, IADC, IAI, IBA, ICCA and LCIA.
