#### Invitation

Ladies and Gentlemen,  
Dear Colleagues,

On behalf of the ASA Local Group Basel, we are pleased to invite you to the next event:

Date	Tuesday, 5 September 2023, 18:00 pm
Topic	Private clients and arbitration: arbitration clauses/- proceedings in inheritance matters, trusts and foundations - when, why and how? (Note: the presentation will be in German)
Speakers	Stefanie Pfisterer & Angela Casey, Homburger, Zurich
Location	Kellerhals Carrard, Henric Petri-Str. 35, 4010 Basel

When advising private clients, the question arises, especially in estate planning, whether and when arbitration clauses are advisable and how they can be implemented. At the same time, the requirements of arbitration law and those of inheritance and family law must be kept in mind. Such matters also pose particular challenges for the conduct of corresponding arbitration proceedings.

Since private client matters in general are seldom made public and this applies especially to arbitration aspects, we are all the more pleased to be able to welcome two experts with proven expertise in this field as speakers.
