Commerce and
Industry (KADIN)

Panel 1:

Challenges and Strategies in Arbitration Venue Selection and Strengthening the Effectiveness of Arbitration and Mediation in Resolving SOE Disputes

SOEs face complex disputes requiring effective mediation and arbitration while balancing public interests, regulations, and contracts. Key issues include sovereign immunity, enforcement, jurisdiction, and neutrality. As SOEs expand, strengthening legal frameworks is crucial for certainty and investment cooperation. This discussion explores strategies to enhance dispute resolution, focusing on venue selection and enforcement.

Moderator:

Reynard Kristian
Partner of Budidjaja
International Lawyers

Panelists:

Felix Dasser
President of ASA

Prof. Elijah Putlin
Arbitrator &
Counsel | PDM

**Prof. Hikmahanto
Juwana**

University of
Indonesia
/ Member of Advisory
Board of MedArbld

Dr. Junaedy Ganie
Managing Partner of
GWP Law Firm

Panel 2:

Intersection of Law, Finance, Investment and Technology: Solving Complexity through Mediation and Arbitration

The intersection of law, finance, and technology creates complex disputes in sectors like crypto, fintech, and carbon trading. With regulatory uncertainty and cross-border challenges, mediation and arbitration ensure legal certainty and market stability. This discussion examines alternative dispute resolution in balancing innovation, regulation, and enforcement.

Moderator:

Ajinderpal Singh *

Panel 3:

Institutional Framework of Dispute Resolution: Capability of Mediation and Arbitration Centers in Managing Financial-Investment-Technology Disputes

Mediation and arbitration centers must adapt to evolving financial and investment disputes, including digital assets, ESG issues, and cross-border enforcement. Ensuring efficiency, impartiality, and enforceability is key to investor confidence. This discussion explores their role in regulatory adaptation and best practices.
